I N S P I R E D

NEW BUT transformed

Each season awakens the wonder of nature, allowing for exploration by the modern world. Whether elements from land, sea and sky have been reinterpreted through mechanical techniques or unearthed in raw form, the hand of the artist is revealed in both. Natural marvels are married with more industrial styles, creating a beautifully diverse collection brimming with character.

RAW

texture

Makers capture nature in its rarest form—through recreating the cratered texture of the moon’s surface to hand-carving natural teak root, we have redefined perfection.
