When you're looking for something classic, elegant and sophisticated, you're looking for Parsons. Its stainless steel frame is available in polished or brushed finish, and comes in all textured Colora colors. This base is unique because it has more height options than any other we make. And while it's simple and clean design suggests a minimalist approach, Parsons can effortlessly mix into any style.

Prismatique Designs Ltd., founded in 1979, is a privately owned Canadian contract furniture manufacturer with an international reputation for precise engineering and office table specialization.

Prismatique offers choices—not compromises. We offer extensive versatility in finish options, ranging from painted back glass to stone to veneer and laminate. This flexibility enables the designer to "Customize with Confidence" and partner with us to create unique table solutions at less than custom prices.

It's not just about what we do. It's about how we do it.
