PERENNIALS

## FOR DECADES

Affluent clients have chosen Sutherland and Perennials for the elevated level of luxury the brands bring to their homes.

## TODAY

They expect equal luxury when traveling.

## SUTHERLAND & PERENNIALS

Provide a wealth of outdoor furniture, outdoor accessories, fabrics and rugs that enhance guest experiences at any luxury hospitality project.

### Superior design

Distinguished by comfort and craftsmanship, Sutherland is the world leader in luxury outdoor furniture. The exquisite design and impeccable craftsmanship result in unique pieces that are built to last. Our sister company **Perennials** takes Sutherland pieces to the next level with over 1,500 stain, mildew and UV-resistant cushion and upholstery fabrics. Sutherland's Otti and Cat's Cradle seating options incorporate Perennials luxury performance rope into their structure.

OUTDOOR FURNITURE AND ACCESSORIES

### Superior materials

From Aluminum to Zinc, Sutherland carefully curates only the finest materials available for our collections, including:

**Premium Teak:** A fully renewable resource that, over time, beautifies into an elegant silver patina.

**316 Stainless Steel:** A marine grade metal that's resistant to corrosion, impact, cracking and pitting.

**Powder Coated Aluminum:** Virtually maintenance free, lightweight metal with low-heat absorption.

### Support

Our team collaborates with designers and architects to create spaces that elevate the guest experience. Designers are able to view products at any of our 17 domestic and international showrooms. Sutherland's flexible pricing program provides financial incentives to commercial partners purchasing products in large volumes.

### **The Perennials difference**

Perennials fabrics and rugs are recognized as the designer's choice for contract and residential applications. Perennials' designers push the limits to create fresh textures, patterns and colors that keep Perennials at the forefront of the design community.

Every fabric and rug is made with Perennials' technically superior 100% solution-dyed acrylic yarns. Beautiful, soft and durable, Perennials products are the smart choice.

LUXURY PERFORMANCE FABRICS AND RUGS

### **Superior Performance**

Backed by an industry-leading no-fade guarantee, Perennials' fabrics and rugs provide unparalleled resistance to:

**Stains**

**UV damage and fading**

**Mold & Mildew**

When you select Perennials you will receive a product that lives up to our name: enduring, constant and fun.

### **Easy-cleaning**

With Perennials, cleanup is a breeze. These 100% Solution-dyed acrylic fabrics and rugs are naturally resistant to stains. When spills happen, a little soap and water usually does the trick. Use chlorine bleach to safely remove difficult marks and stains without fading or damaging the yarns.
