

BENDHEIM

VintageWire™ Glass

Bendheim's VintageWire™ decorative laminated architectural glass features true chicken wire. Bring a refined antique aesthetic to interior spaces with this reimagining of old-world glass. VintageWire is a laminated safety glass that is available in both translucent and opaque forms, allowing for a wide variety of applications, including windows, doors, sidelites, transoms, partition walls, and wall cladding. It is available in a wide variety of surface textures, colors, and mirror backing.

Order Minimum:

Bendheim has a \$2,500 order minimum. For smaller quantities, please visit www.bendheimcabinetglass.com.

Approx. Dimensions:

Glass is cut to size, not to exceed roughly 48"W x 96"H.

The glass is delivered fully fabricated to the specified size and safety requirements. Maximum glass size may vary depending on the selected design and safety options. Please inquire.
